SHARIR

- ***SHARIR is the physical part of mind.***
- ***Subtle changes in the mind affects the Sharir.***

• *In the same way changes of subtle nature affects the Mind.*

• *Sharir should be treated as “THE GIFT FROM GOD”.*

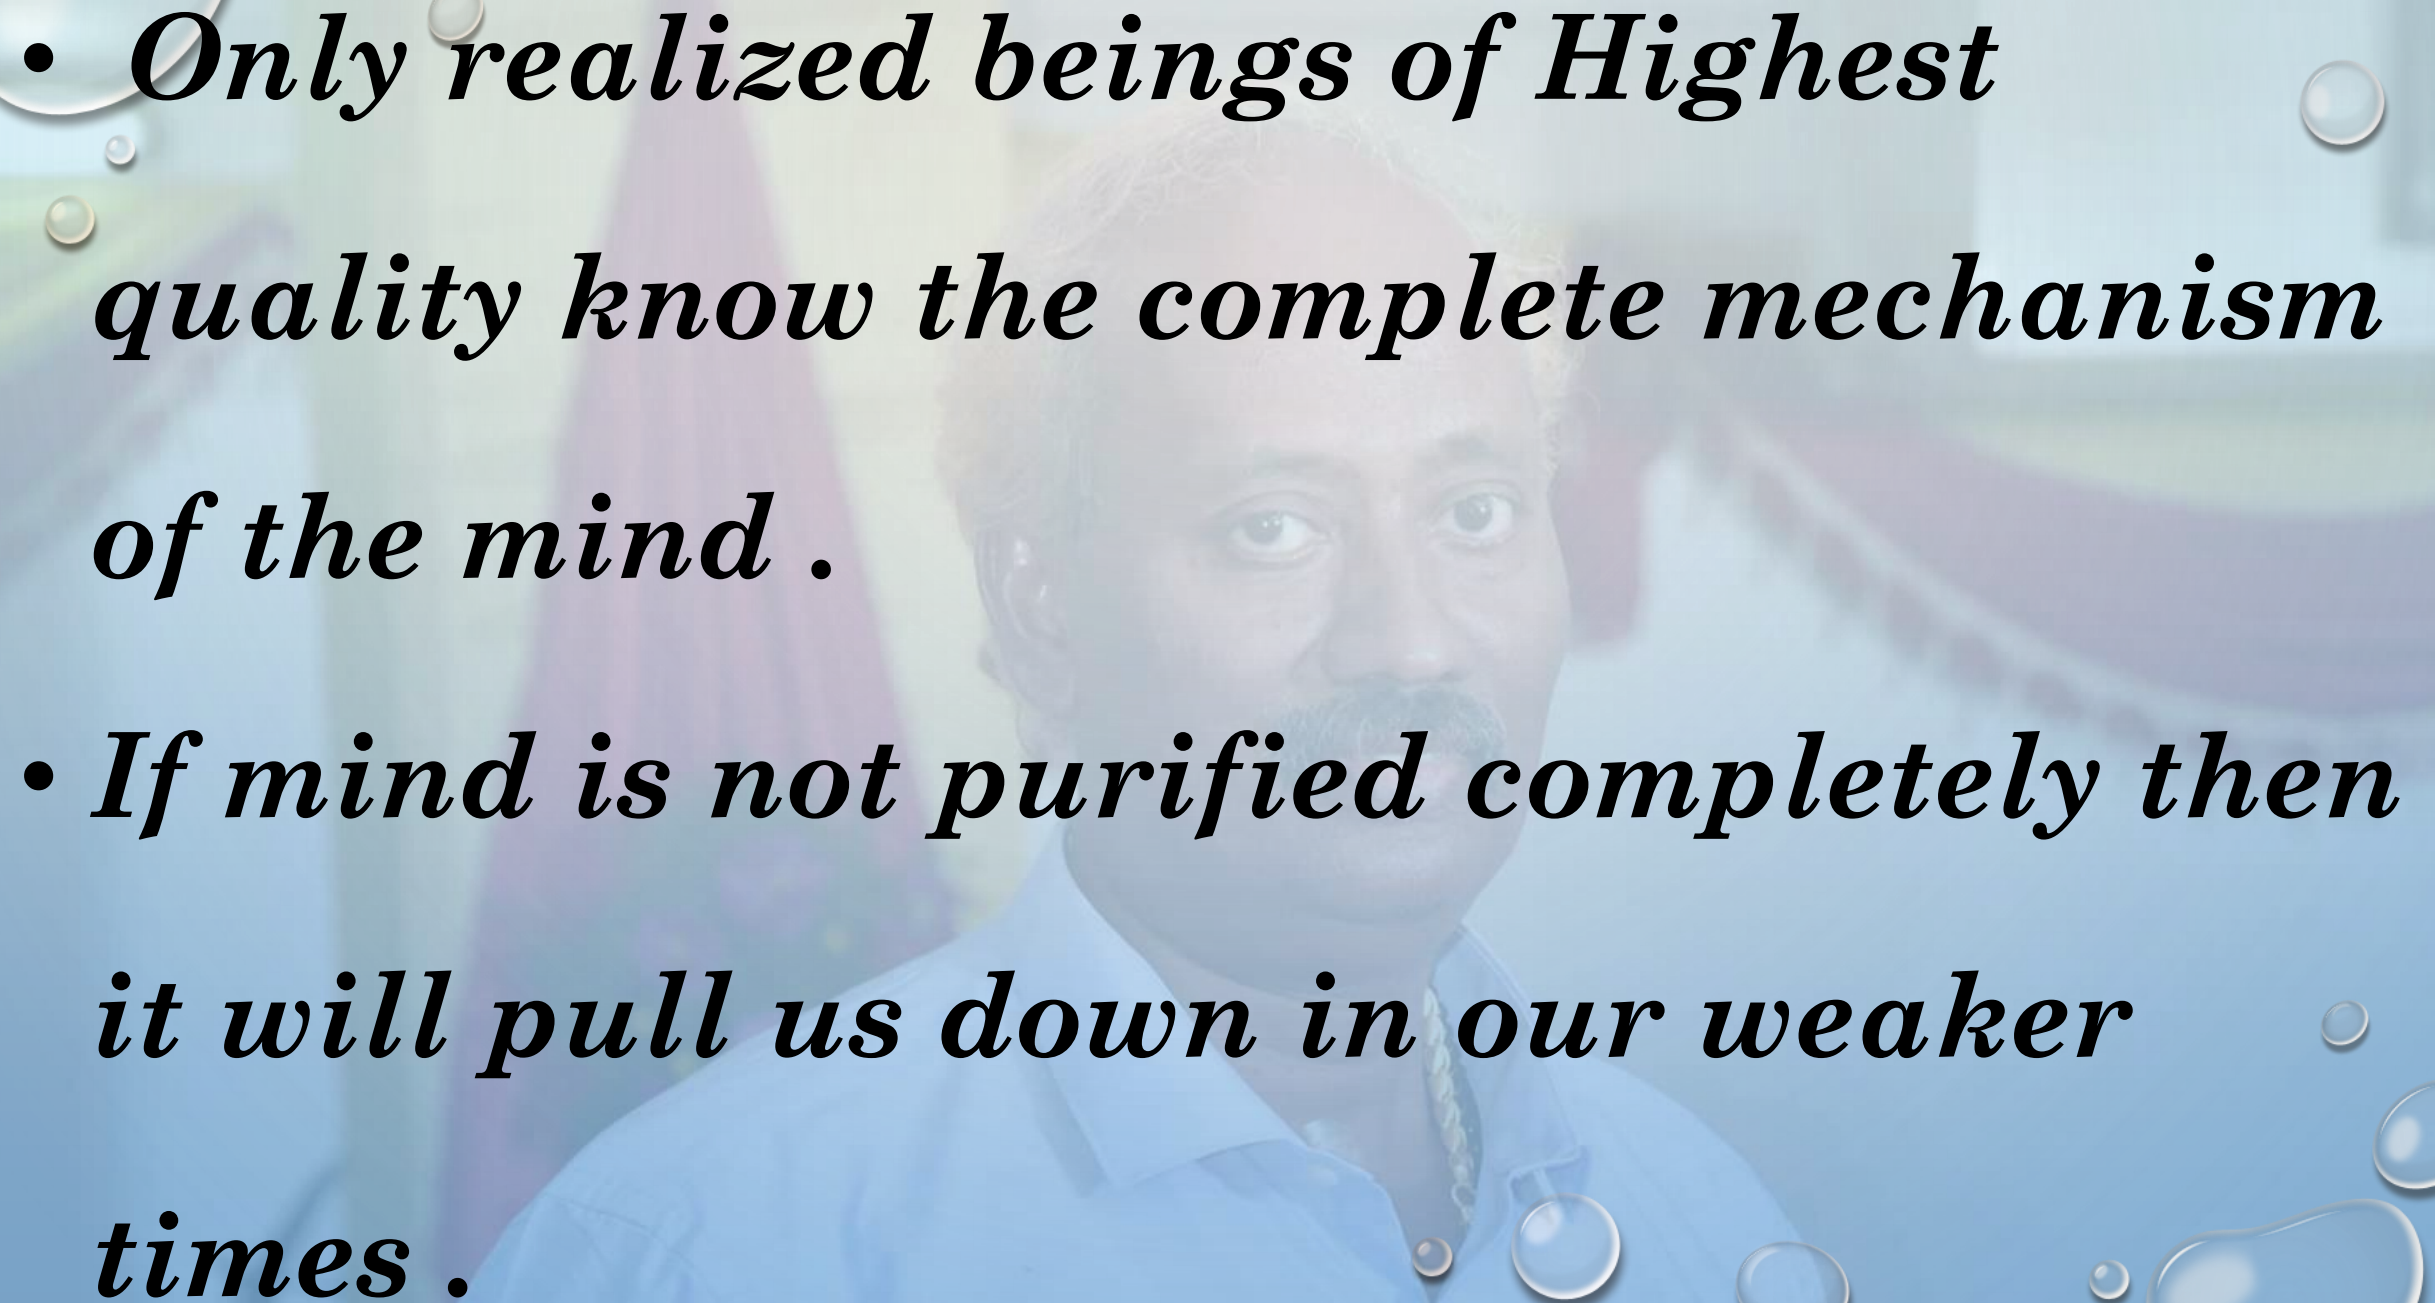

- *If Sharir becomes old and worn out, soul has to take New Sharir to fulfil its unfulfilled desires.*
- *Saint Kabir says that Sharir has to be returned to God without any blemishes.*

- *Sharir, the temple has to be pure enough for God to live in it.*
- *The only reason we take human sharir is to realize our true Godly Nature.*

- *If the Sharir is kept in its Pristine form, then soul will live in it for a long time.*
- *When saints attain jeeva samadhi in their sharir, then the sharir will never Perish or Decay.*

MIND

- 
- *Only realized beings of Highest quality know the complete mechanism of the mind .*
 - *If mind is not purified completely then it will pull us down in our weaker times .*

- *Even The great sage “Vishwamitra” was pulled down by his own mind .*
- *If Mind can be considered as the Wild Animal, then it should never be left in Half Killed or Maimed state.*

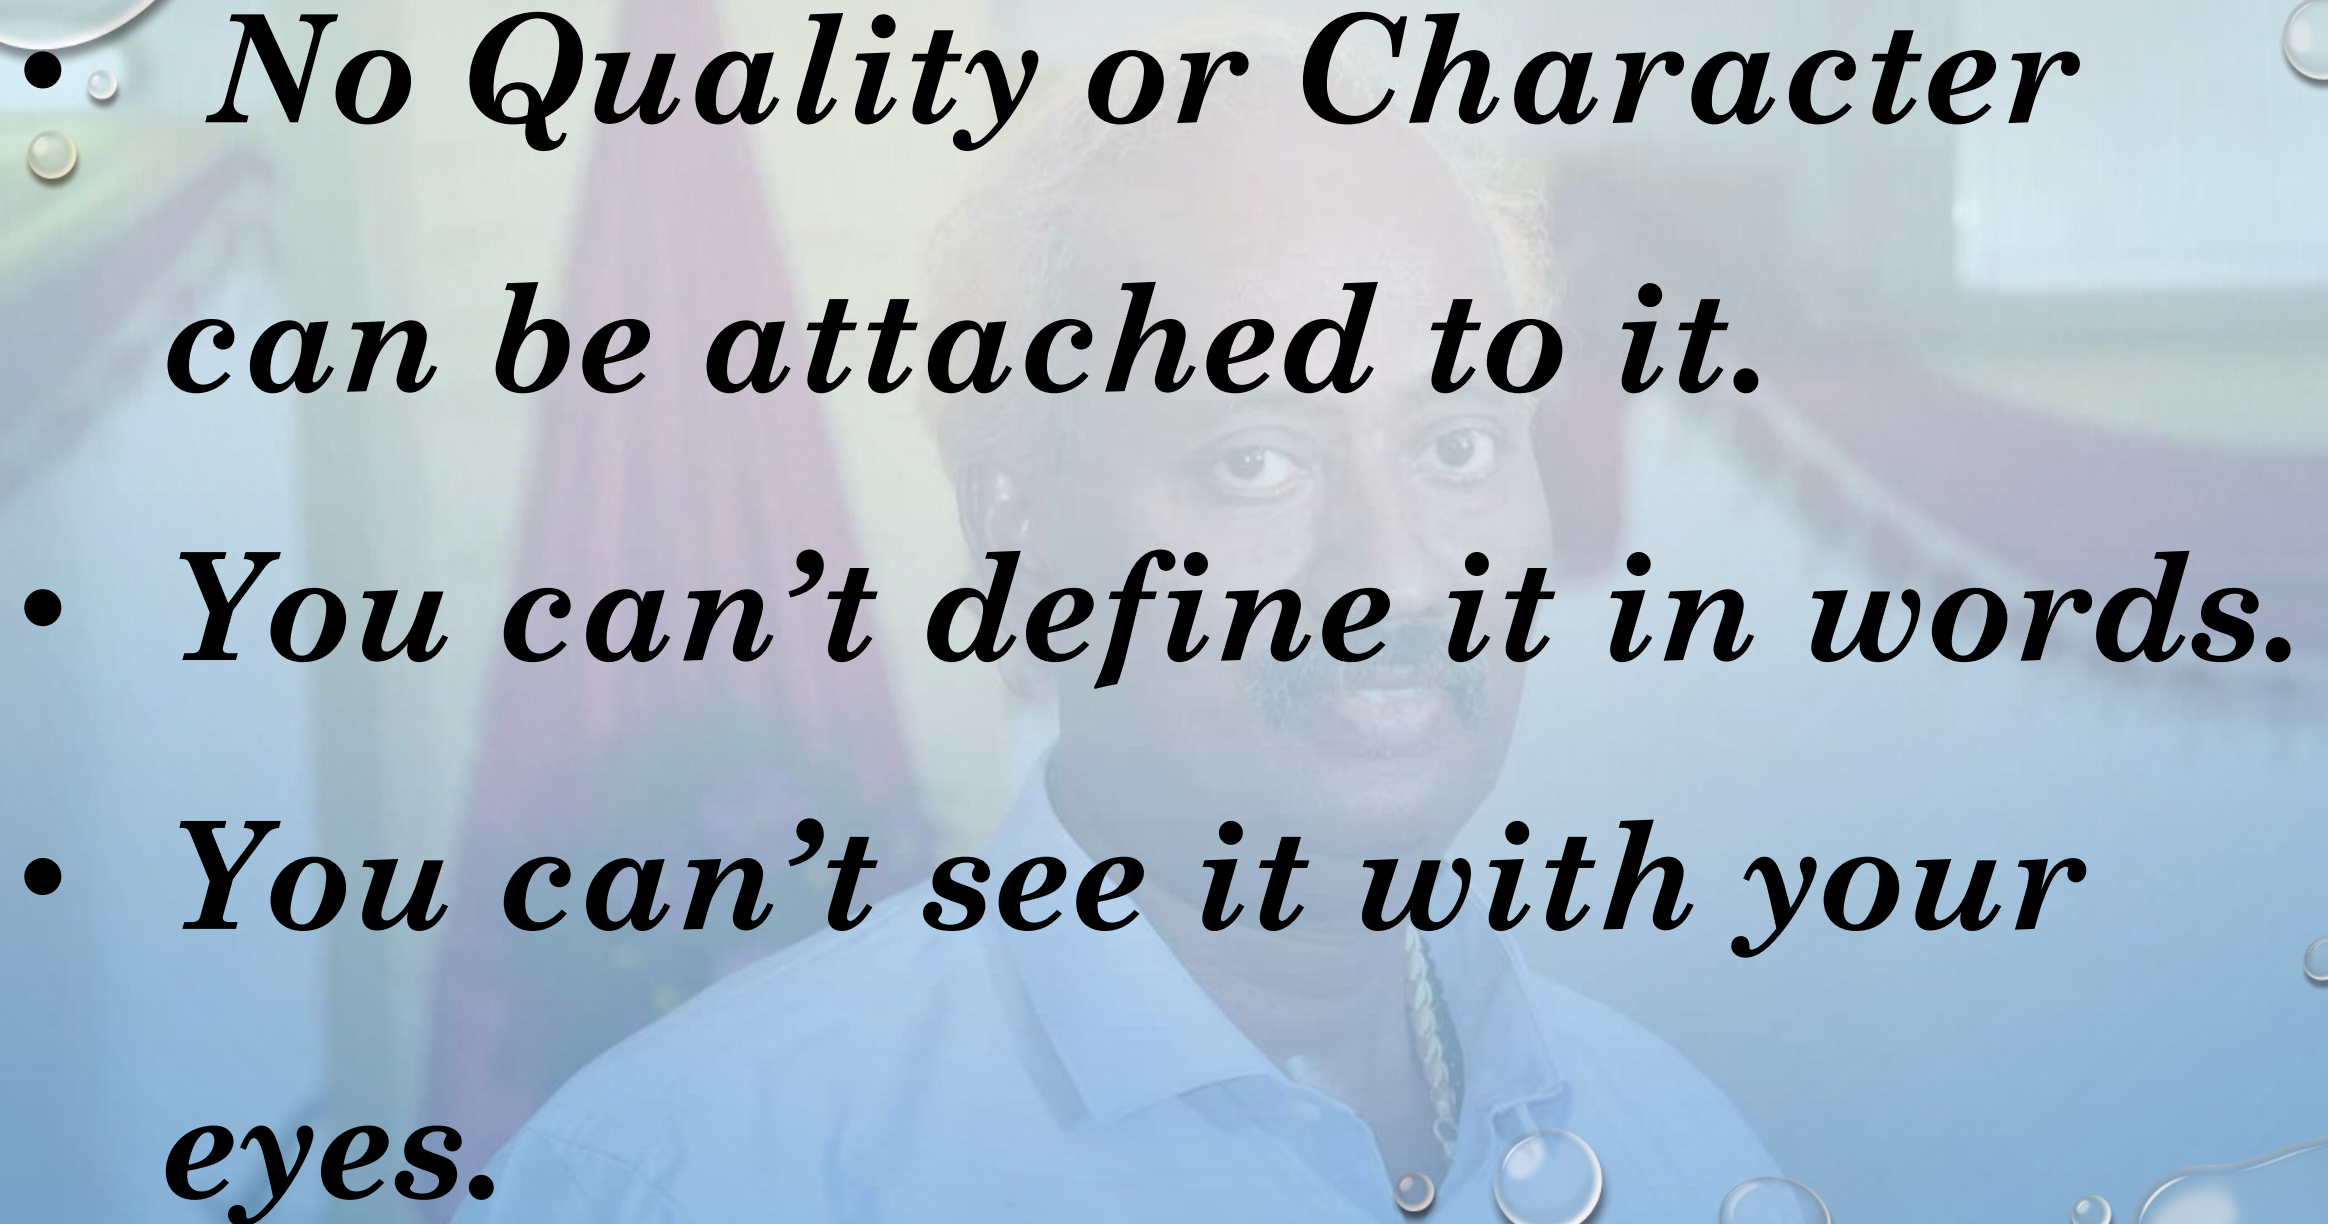

- *If Mind is left in a Half Killed or Maimed state then it will take its Revenge when the correct time comes.*
- *Mind if kept as a good friend then it will take you towards 'the higher realms of truth'.*

- 
- *Even saints need their Mind to deliver their Truth.*
 - *If saints erase their Mind totally then they will never have any Body Consciousness.*

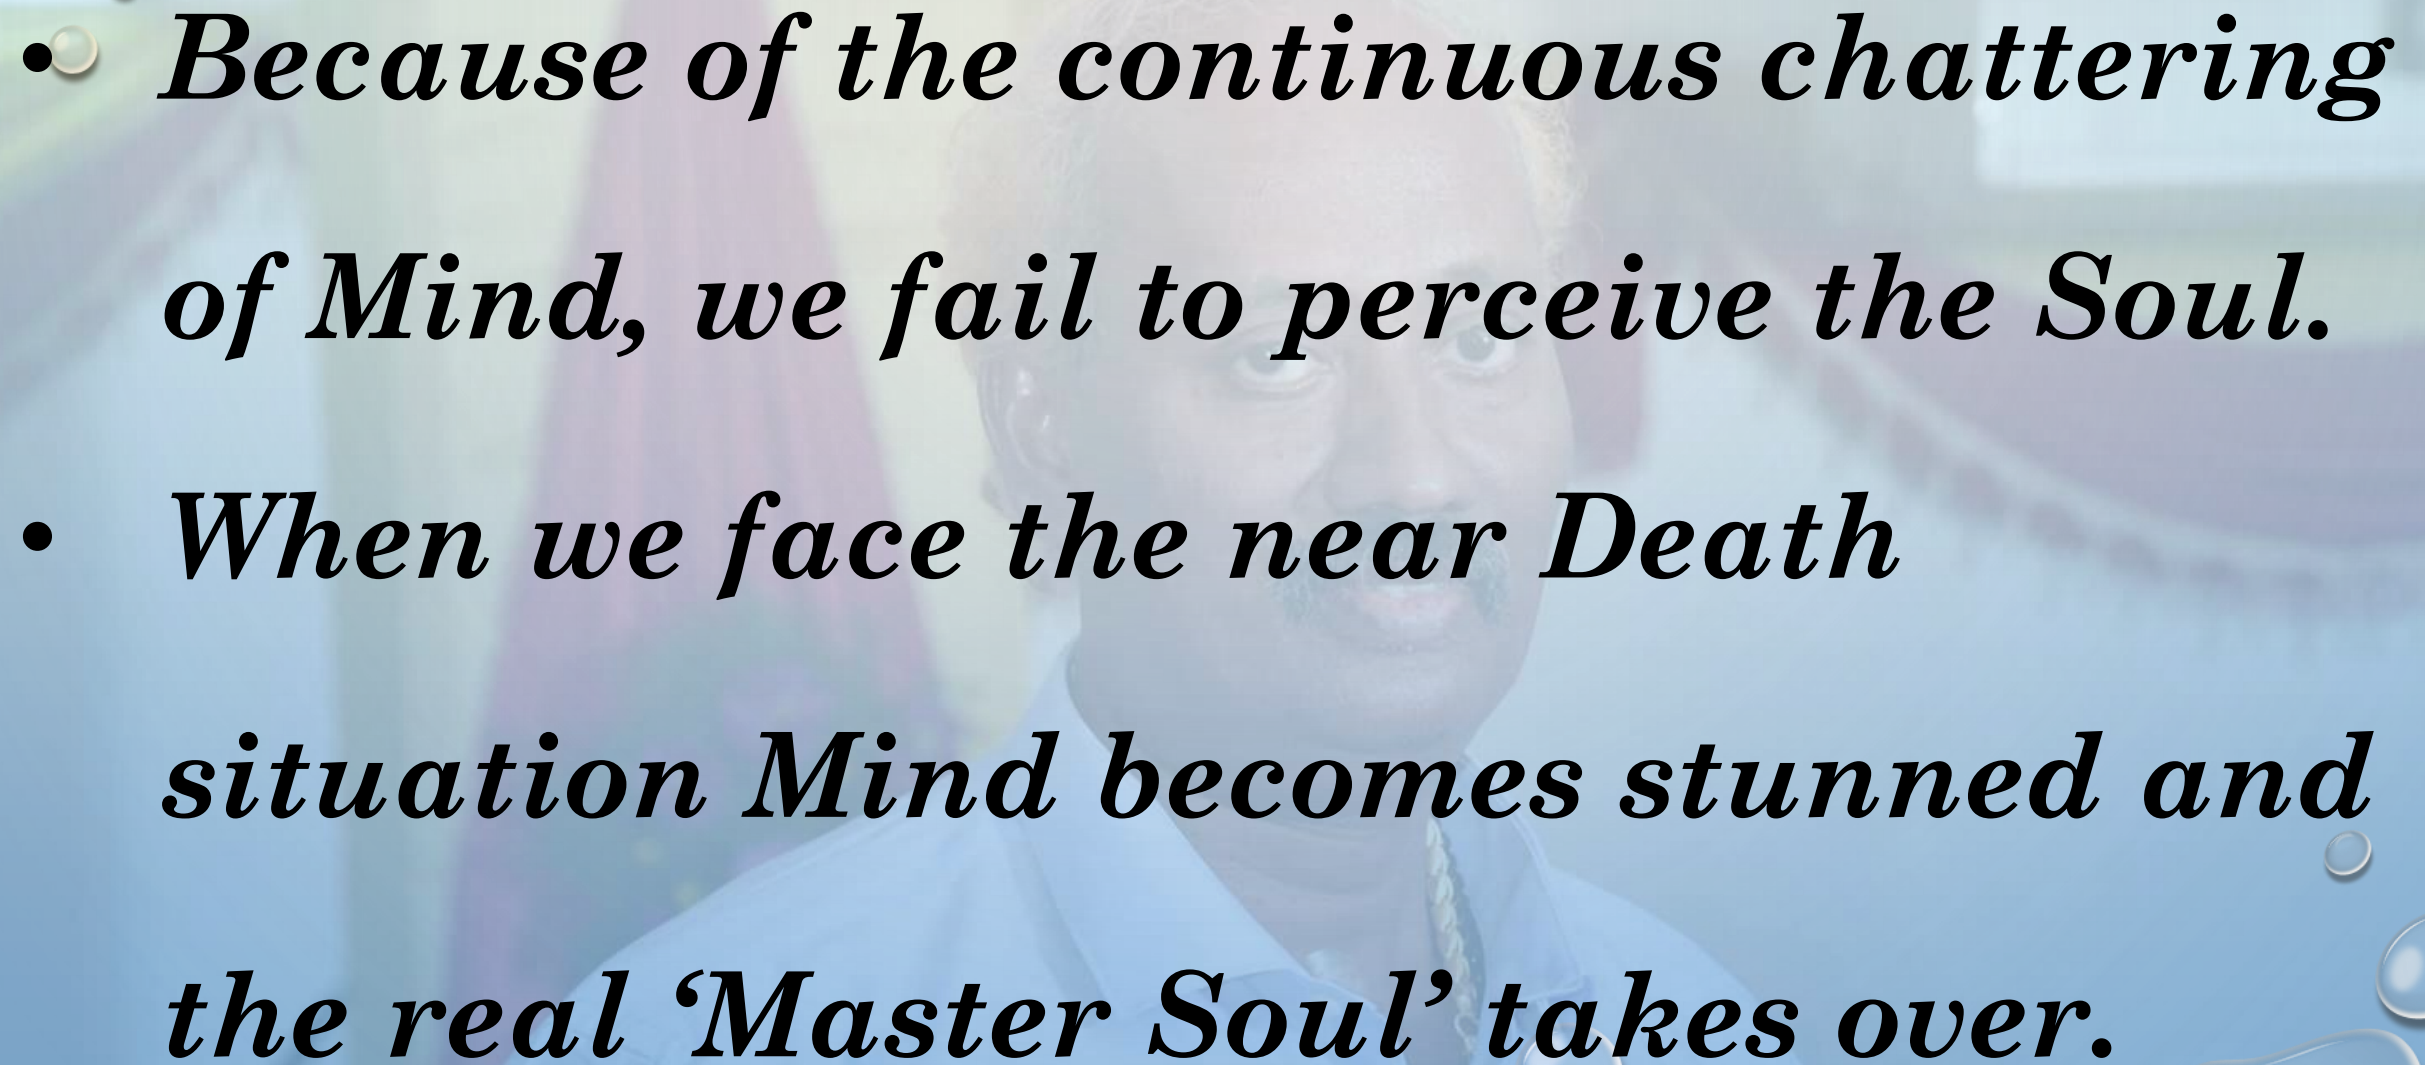

- *If saints erase their Mind totally while living in their body then it is called “Kevala Nirvikalpa Samadhi”.*
- *Mind thrives on the physical energy mostly.*

- *Without the 'Soul' the sharir is DEAD only.*
